

Undergraduate and Graduate Student Exchange  
between Queen's University and Tsuda College

A bilateral student exchange program has been established between  
Queen's University, Department of Mathematics and Statistics and School of Computing  
and  
Tsuda College, Department of Mathematics and Department of Computing Science.

The exchange is open to female undergraduate or graduate  
students majoring in mathematics/computer science  
from Queen's University to enroll in a full  
academic year program (starting mid-April 2007 and ending  
January 2008) or in a single semester program (mid-April to August,  
2007, or September 2007 to January 2008).

Tsuda College is a small, elite women's college located  
in a suburban area of Tokyo, Japan.

Interested students should look at the webpage
