Researchers representing any aspect of David Gregory's mathematical scholarship are invited to attend and give a presentation.

The following people have already indicated an interest to attend.

- Richard Brualdi
- Sebastian Cioaba
- Edwin van Dam
- Randall Elzinga
- Shaun Fallat [ILAS Lecturer]
- Chris Godsil
- Willem Haemers
- Steven Kirkland
- Ram Murty
- Stewart Neufeld
- Bryan Shader
- Naomi Shaked-Monderer
- Claude Tardif
- Kevin Vander Meulen
- Valerie Watts
- David Wehlau

**Organizing Committee**

Sebastian Cioaba <cioaba@math.udel.edu>
Bryan Shader <bshader@uwyo.edu>
Ram Murty <murty@mast.queensu.ca>
Claude Tardif <Claude.Tardif@rmc.ca>
Kevin Vander Meulen <kvanderm@redeemer.ca>
David Wehlau <wehlau-d@rmc.ca>

Registration information will be posted in early 2014 at [http://www.fields.utoronto.ca/programs/scientific/13-14/interactions/index.html](http://www.fields.utoronto.ca/programs/scientific/13-14/interactions/index.html)

**Dedicated Journal Issue**

A special issue of the *Electronic Journal of Linear Algebra* will be dedicated to David Gregory. Details forthcoming.

We are grateful for support from:
Department of Mathematics and Statistics at Queen's University.
International Linear Algebra Society.
The Field's Institute.
