

TEACHING POSITION AVAILABLE – Fall Term 2011

STAT 462/862 – Computational Data Analysis
Department of Mathematics & Statistics
Queen's University, Kingston, ON CAN K7L 3N6

The Department of Mathematics & Statistics at Queen's University invites applications from suitably qualified candidates interested in teaching a course in **Computational Data Analysis (STAT 462/862)**. This is an on-campus, lecture course with an expected enrolment of ~40 students. Candidates should have a Ph.D. or a Master's degree with professional practice in Statistics. Prior teaching experience at the University level in Statistics would be an asset. This is a fall term appointment for the period September 1, 2011 to December 31, 2011, with classes in session from September 12, 2011 to December 31, 2011.

The University invites applications from all qualified individuals. Queen's University is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, aboriginal people, persons with disabilities, and persons of any sexual orientation or gender identity. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Academic professionals at Queen's University are governed by the *Collective Agreement* between the Queen's University Faculty Association (QUFA) and the University, which is posted at <http://www.queensu.ca/vpac/FacultyRelations/CollectiveAgreements.html>. A candidate qualified to teach may be considered for appointment to a **Term Adjunct** position as defined by the *Collective Agreement for All Faculty, Librarians and Archivist between QUFA and Queen's University*. Remuneration will be in accordance with the *Collective Agreement*, and appointments are subject to funding or enrolment criteria. If a graduate student is teaching a course in a different discipline than they are registered, then they would be eligible for appointment as a **Term Adjunct**.

Applications should include a complete and current curriculum vitae, letters of reference from two (2) referees, and any other relevant materials the candidate wishes to submit for consideration such as a letter of intent, teaching dossier, etc. **Please arrange to have applications and supporting letters sent directly to:**

Dr. Ram Murty, Head
Department of Mathematics & Statistics
Queen's University
Kingston Ontario Canada K7L 3N6

Applications will be received until July 15, 2011. Review of applications will commence shortly thereafter, and the final appointment is subject to budgetary approval. Additional information about the Department of Mathematics & Statistics can be found at <http://www.mast.queensu.ca/>

Course Description:

STAT 462/3.0	Computational Data Analysis	2L;2P
