Marking scheme:	Term Test 7 to 9 p.m. March 1	30%
	WebCT Quizzes	10%
	Final exam	60%

If you have a conflict with the term test you must notify me by email by February 5th. The alternate term test date will be announced later.

Approved calculator and one standard page of formula/notes allowed for term test; approved calculator and two standard pages of formula/notes allowed for final exam. Programmable and/or graphing calculators are not allowed. **The text book may not be brought to either the term test or exam.** You can write on both sides of formula sheets.

You will receive messages from time to time using the course mailing list which directs mail to your qlink account. You are responsible for checking your qlink account. If you have a problem receiving your qlink email you should contact Information Technology Services.

You can logon to the course **WebCT** site at www.its.queensu.ca/webct. Quizzes and suggested homework questions and solutions will be posted on this site as well as course information (this handout for example), a discussion board, and the PowerPoint presentations used in class. For general problems with WebCT, use the “Submit a Problem” form on the ITSC web-site or call the ITSC at 533-6666. Note that this course is out of the Department of Mathematics and Statistics in the Faculty of Arts and Science, and therefore the WebCT site is not in the Faculty of Applied Science domain.
